

## Director, Pharmacy Children's Hospital of Eastern Ontario

Location: Ottawa, Canada

CHEO, a renowned pediatric health care and research centre, is currently seeking a **Director, Pharmacy** to join their leadership team.

CHEO is one of the few stand-alone, global leaders in pediatric health and is home to nearly 3,500 staff and physicians dedicated to helping children and youth live their best lives. Ranked in the top 1% of Canadian hospitals for the digitization of its clinical infrastructure, CHEO combines excellence in clinical care, research, and education to advance seamless care that's provided where, when, and how it's needed. Every year, CHEO helps more than 500,000 children and youth from Eastern Ontario, Western Quebec, Nunavut, and Northern Ontario.

CHEO has twice been named by Forbes Magazine as the best place to work in Canadian healthcare and is second among Canadian hospitals on its list of Canada's Best Employers for 2021. The Hospital has also been recognized by the editors of Canada's Top 100 Employers as a top employer in the National Capital Region for the 10th consecutive year in a row. CHEO's President and CEO, Alex Munter, was awarded favourite CEO of the year award by Faces Magazine in 2020.

Reporting to the SVP, Clinical Services and Chief Nursing Executive, the Director, Pharmacy is responsible for the overall function and service of the Pharmacy (hospital and retail) in alignment with the Hospital's goals and objectives. Driven by data and a drive for continuous improvement, the Director oversees quality and risk management activities, fiscal control, and budget development.

A proven leader, the Director will oversee human resources and workforce planning, cultivating a culture of respect, trust, and lifelong learning. As an expert medication advisor to the leadership team, the Director will collaborate with patients, families, and healthcare providers by ensuring that all patients receive the appropriate drug therapy. Through evidence-based research and community outreach and support, they will promote the Pharmacy Patient Care Leadership Team's vision of achieving a centre of pharmaceutical excellence in medical management, committed to making a difference in the lives of children, youth, and families.

The ideal candidate for the Director, Pharmacy role has a Bachelor of Science in Pharmacy, or entry level Pharmacy Doctor. They ideally have a master's degree in Health or Business Administration, although a combination of education and extensive relevant experience may be considered, and Part A Licensed with the Ontario College of Pharmacists. A compelling communicator, the incumbent will be an experienced People Leader and team builder who can attract, engage, retain, mentor, and coach a high performing team.

If you are looking for a leadership opportunity where you can make an impact on pediatric care and help children and youth live their best lives, apply today! Please submit your application and related materials to Claire Leroux and John Caminiti of Boyden executive search at [cleroux@boyden.com](mailto:cleroux@boyden.com) and state the title of the position in the subject line of your email.

*We thank all applicants for their interest, however only those under consideration for the role will be contacted. CHEO and Boyden strive to provide a barrier-free process and make every effort to accommodate individual applicant needs. Accommodations are available upon request for candidates taking part in all aspects of the selection process. A request for accommodations will not affect an individual's candidacy.*
