

## Vancouver Island, BC

### Island Health is looking for a supportive leader for the Manager, Inpatient Beds position in Campbell River.

As an Acute Care Manager, you are responsible for all aspects of planning, organizing and directing the delivery of inpatient patient care services at the Campbell River Campus (CRH) and the Comox Valley Campus (CVH) North Island Hospitals. This position will support the maternal child and paediatric units, social work, medical daycare, cancer care and respiratory therapy.

We also have a [temporary full-time Manager, Inpatient Beds](#) role that supports the medical/surgical and emergency departments as well as crisis services.

The North Island Hospital Campbell River & District opened its doors in 2017. The 105-bed hospital provides quality patient care to the residents of Campbell River and surrounding communities.

Located three hours north of Victoria, Campbell River is situated on the east coast of northern Vancouver Island and is surrounded by five provincial parks. With a population of over 35,000 residents, Campbell River has a strong community feel and provides residents with easy access to the outdoors to enjoy a healthy work/life balance. With all the big city amenities, proximity to endless outdoor activities, easy ocean access plus a great climate, what are you waiting for?
