Come work as a Deputy Chief Project Officer with Vancouver Coastal Health (VCH)!

Vancouver Coastal Health is looking for a Deputy Chief Project Officer to join the team at Capital Priorities, Planning & Projects. [Apply today to join our team!](#)

As a Deputy Chief Project Officer with Vancouver Coastal Health you will:

- Report to the Chief Project Officer and Executive Director.
- Be accountable for providing leadership and strategic direction across Vancouver Coastal Health (VCH) for site planning, business case and feasibility study development, implementation of approved capital projects, and standards and principles development, including all aspects of project management, budget control, procurement strategies, contract negotiation, dispute resolution and oversight of projects from planning and design through to construction and commissioning.
- Liaise internally with senior leaders in the organization, and externally with various levels of governments, agencies, foundations, private sector partners and community groups and represents VCH's interests as appropriate.
- Be supporting the Richmond Hospital Redevelopment Project.

QUALIFICATIONS:

Education & Experience

- Master's Degree and professional designation in a relevant discipline
- Ten (10) years' recent, related experience in progressively more complex and senior management, leadership roles in a large multi-site organization with responsibilities for

managing the planning, design and construction of facilities development projects, or an equivalent combination of education, training and experience.

Knowledge & Abilities

- Demonstrated knowledge of facilities development including planning, design, construction, contract management and procurement within current municipal, provincial and national standards, codes, bylaws and regulations applicable to health care.
- Demonstrated ability to effectively oversee the management of multiple facilities projects from concept to completion within large, complex, multi-site organizations.
- Demonstrated initiative, judgment and decision-making capabilities.
- Demonstrated ability to lead, plan, manage, implement, organize and problem solve at a senior level.
- Demonstrated ability to define/amalgamate diverse organizational requirements, develop financial parameters, resolve issues, identify and mitigate operational project risks, and develop long-range plans.
- Demonstrated ability to negotiate and facilitate consensus with various levels of government and community groups, and to develop and maintain mutually beneficial relationships with business partners as well as other external stakeholders.
- Demonstrated ability to utilize creativity and innovation in problem solving and strategic planning.
- Demonstrated ability to direct large groups of staff, external consultants, architects and contractors.
- Demonstrated ability to develop and conduct presentations to individuals and/or groups.
- Ability to work under pressure with deadlines and changing priorities in dynamic, political environment.
- Demonstrated ability to write comprehensive reports and develop graphical supporting documents.
- Ability to operate related equipment including related software applications.
- Physical ability to perform the duties of the position.

WHY JOIN VANCOUVER COASTAL HEALTH?

VCH is a world class innovator in medical care, research and teaching, delivering service to more than one million BC residents.
