HealthCare*CAN*
MEMBERSHIP
BENEFITS

HealthCare*CAN* unites senior leaders from healthcare and health research organizations in an engaged, national network to form a common understanding and gather evidence on the most current and pressing healthcare challenges to develop and advance solutions.

- Network with other CEOs on issues that matter to you and your organization
- Be part of a dynamic committee of Vice Presidents of Health Research
- Join an active group of health workforce leaders from across Canada
- Develop the next generation of capable health leaders with CHA Learning
- Stay up to date on current events related to health and healthcare across Canada

Our Member NETWORKS

- Canada's Health CEO Forum – exclusive forum to discuss emerging issues & challenges.
- Health Innovation Advisory Committee – share innovative ideas & drive system evolution.
- Vice Presidents of Health Research Committee – shape our strategic vision for health research.
- Health Human Resources Advisory Committee – provide crucial counsel on policy issues & on future programs offered by our professional development division, CHA Learning.

HealthCare*CAN* Leading. Innovation. Together.
SoinsSantéCAN Leadership. Innovation. Collaboration.

Keeping you
CONNECTED

- Quick notification of federal funding opportunities.
- In-depth analysis of federal policy announcements on health and research organizations.
- The HQ podcast series engages with thought-leaders on matters related to Canada's health workforce.
- Job board for health and research positions.
- Daily e-newsletter featuring key healthcare and health research news.

ADVOCACY PRIORITIES

Visit our "policy work" page to learn more

HEALTH RESEARCH

- Position Canada as a global leader by investing in Canadian research and innovation
- Cultivate research and innovation talent, including re-patriating Canadian researchers
- Improve access to clinical trials
- Implement research in the health system

HEALTHCARE INFRASTRUCTURE

- Implement connected digital health platforms
- Establish a Modernizing Healthcare Infrastructure Fund, directly available to healthcare organizations and hospitals.

HEALTHCARE INNOVATIONS

- Adopt new and modern ways of delivering care
- Accelerate commercialization and Canadian healthcare companies
- Invest in a national AI and digital literacy strategy.
- Invest in the creation of regional AI and digital health innovation hubs.
- Create a Pan-Canadian organization dedicated to AI in healthcare.

HEALTH WORKFORCE

- Strengthen pan-Canadian workforce data collection
- Conduct pan-Canadian health workforce modeling and planning
- Accelerate internationally educated health professionals entrance into the health system
- Eliminate barriers to health worker mobility
- Reduce barriers in education and training, including in Indigenous/rural/remote/northern communities

TESTIMONIALS

Dr. Andy Smith | PRESIDENT & CEO
Sunnybrook Health Sciences Centre

"There is strength in numbers and membership in HealthCareCAN is a crucial way for health leaders at Sunnybrook to connect with colleagues from across the country to share best practices and advance solutions to improve healthcare, health research and the health system."

Dr. Krista Jangaard | PRESIDENT & CEO
IWK Health Centre

"HealthCareCAN provides the opportunity to meet with national colleagues to address the common issues facing healthcare and to effectively advocate for change and innovation. Learning from others and scaling successful initiatives allows for agile local response."

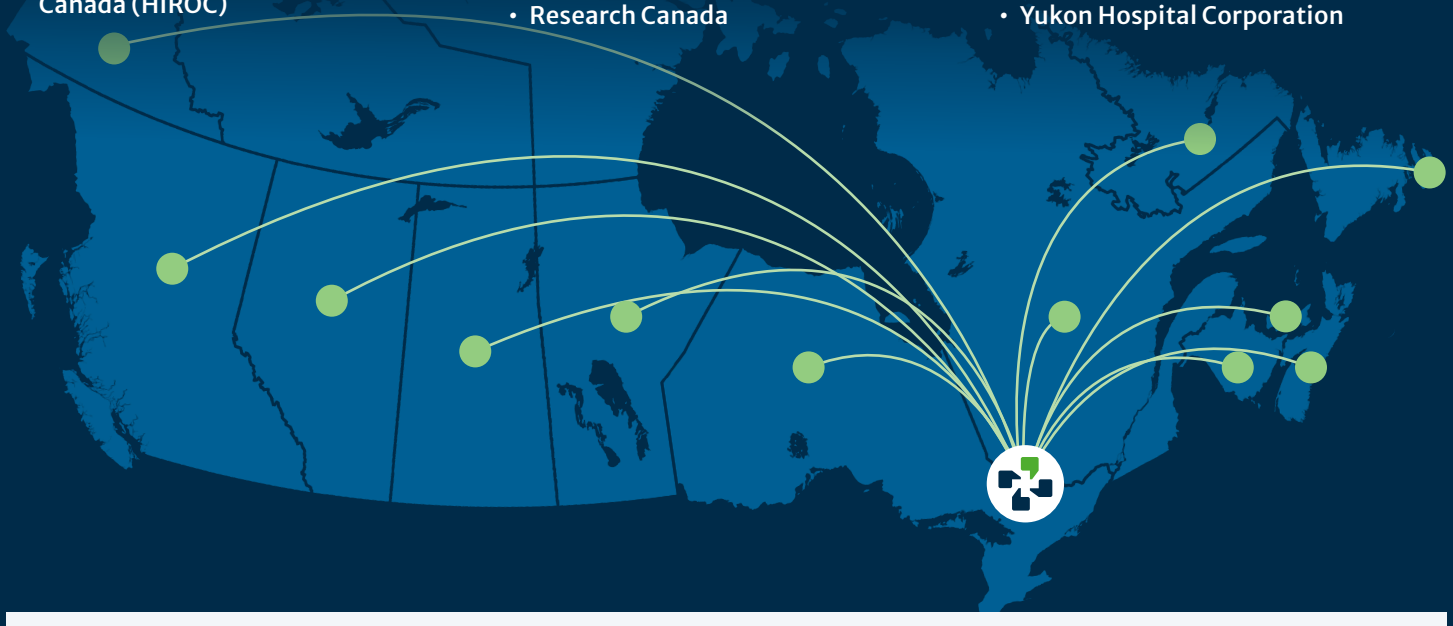

Kristen Winter | EXECUTIVE VICE PRESIDENT
Programs, People & Leadership, Sunnybrook Health Sciences Centre

"I am honoured to contribute as a member of the HealthCareCAN Health Human Resources Advisory Committee. It is inspiring to work alongside such committed leaders to drive meaningful change for the future of our healthcare system and the communities we serve."
